PROSPECTIVE JR. PREDS AND FAMILY

As the 2019/2020 Jr. Preds season came to an unexpected end, we are excited about the return of AA/AAA Jr. Preds Hockey for the 20-21 season. Entering the second year of partnership between the Jr. Preds, TPH and the Nashville Predators, with a goal of growing hockey in Middle Tennessee, the Jr. Predators are well on their way to be the premier Tier I and II hockey associations in America.

The Jr. Predators was started over 15 years ago with the goal of creating a place for elite hockey players to play in Nashville. With the growth of the Predators brand over the last 22 years and the additions of Ford Ice Center Bellevue and Antioch, Nashville is now a hub for hockey.

The Nashville Predators are firm believers in growing hockey at all levels. From the first time kids step on the ice through our G.O.A.L. (Get Out and Learn) program, until the time they are playing their last adult league game, it is our goal to have a place for every hockey player and ice skater. No matter the skill level everyone should be comfortable at one of our facilities. The Nashville Jr. Predators organization provides the opportunity for the elite hockey players in Nashville to have an opportunity to compete at the highest youth hockey level and wear the Nashville Predators logo when they travel the country.

Through the partnership with TPH and the Jr. Predators we are committed to providing an elite hockey experience right here in Nashville and we are glad that you are interested in joining this great organization.

Have a Great Season!

ABOUT

THE JR PREDATORS HOCKEY CLUB

The Nashville Jr. Predators Hockey Club is a non-profit organization and was established with the goal to allow players to live at home or close to home, while still competing at the Tier I AAA, Tier II AA and Tier II Girls level against other top programs in the country. National in structure, Tier I AAA hockey is the most highly scouted and recruited youth division which produces the most players for non-pay-to-play junior leagues such as the USHL, NAHL and CHL. NJP hockey offers student-athletes access to full time professional hockey coaches that work within the guidelines laid out by the USA Hockey American Development Model (ADM). All of this is done to develop student-athletes for opportunities in hockey, the classroom and life. Jr. Predators alumni have been drafted to and/or are playing in the NHL, NCAA, USHL, NAHL, NA3HL, and CHL. The Nashville Jr. Predators AAA Hockey Club is a program of the Nashville Elite Hockey Club Inc., a recognized 501c3 tax-exempt, nonprofit corporation.

JR PREDATORS HOCKEY CLUB MISSION

- Provide student-athletes in the Greater Nashville Area the opportunity to compete at the highest level of amateur hockey available under USA Hockey.
- Provide an elite coaching staff specializing in high performance training for intense competition, allowing players to fully develop their athletic and team skills.
- Provide Jr. Predators athletes with an opportunity to achieve their academic and athletic goals throughout high school and college.
- Hold Jr. Predators hockey players academically accountable and provide a forum where all players can further their leadership and citizenship skills.
- Conduct operations with a level of fiscal responsibility, which will ensure the viability of the organization for the future.

GIRLS TEAMS

OPENING WEEKEND

All the teams will participate in a unique High-Performance Weekend to kick off the season. In addition to all the components of a routine High-Performance Weekend, this is an opportunity to meet the coaching staff and other Jr. Predators families. It is a great chance to get all your Jr. Predators team apparel for the season. There will be a program-wide meeting on Saturday night with speakers and maybe even a special guest.

HIGH-PERFORMANCE WEEKENDS

Training camp style experience; at least one weekend per month; hosted by local supporting association. Content: 4-5 hours on-ice practice, off-ice training, classroom style instruction, video analysis, team building, cross-over instruction from entire coaching staff. These weekends help maintain a high practice-game ratio.

WEEKDAY PRACTICES

Parallel weekday practices will be provided in each local supporting association (on-ice & off-ice); combined age groups; heavy focus on skill development; follow the skill progression of the USA Hockey ADM Program.

PLAYER DEVELOPMENT SESSIONS

Weekly player development sessions are designed and led by Coach Delaney Collins. The objective of our PD is to focus on a range of skills and to help players connect those skills to game applicable situations. Athletes will work on the ice to combine multiple tasks and skills while being provided game situation video off the ice to see how the skills apply at full speed, under pressure, and in traffic.

TRAINING CAMP 19U ONLY

All selected players will participate in training camp in August to prepare for the season. Camp highlights include positional clinics, team building, on-ice training, off-ice training, classroom instruction, and video sessions.

NATIONAL GIRLS HOCKEY LEAGUE

The Nashville Jr Predators Hockey Club is a full member in the National Girls Hockey League. This league features super showcase weekends featuring the best competition in the country. The purpose of the showcase series setup is twofold: to create a positive, organized, inclusive atmosphere and secondly to provide exposure and top competition across the country.

The National Girls Hockey League provides the opportunity to compete in five showcases over the course of the season culminating with the league championship in February. All showcases are scheduled at top venues supporting girls, women's and NHL hockey homes as well as desirable scouting locations for maximum exposure to college scouts.

14U GIRLS

ALLIE LACOMBE HEAD COACH

Allie has spent the last 4 seasons in Nashville training athletes at both the youth and professional levels but has a heart for developing and preparing girls for collegiate hockey. Most recently, Allie signed with the Connecticut Whale in the NWHL. Previously, she played semiprofessional in Europe (EHL) for the Vienna Sabers in AUT and with Almaty Aisulu from KAZ. Allie played collegiately NCAA Division I at Syracuse. She is also the General Manager/Coach at the Lab in Franklin, TN.

KAHLIE SINGLETARY ASSISTANT COACH

DELANEY COLLINS PLAYER SKILL + DEVELOPMENT

Delaney was a member of Team Canada and competed in 5 IIHF World Championships between 2000 and 2008. After retirement she went on to coach Canada's U18 and Development teams from 2013-2017. Delaney is a lead skills coach for the IIHF U18 female camps and a certified Hockey Canada Skills Coach. Upon moving to Nashville Delaney joined the Nashville Predators as a girl's hockey ambassador to help lead and inspire the next generation of female hockey players in Nashville.

STACI HART STRENGTH + CONDITIONING COACH

Staci Hart holds her undergraduate degree in Exercise Science Education from The Ohio State University and her master's degree in Exercise and Nutrition Science from Lipscomb University. While at Ohio State, she gained extensive experience working with the Strength and Conditioning coaches of all Olympic Weightlifting sports, including Men's and Women's Ice Hockey among others. She served as the Graduate Assistant for the Strength and Conditioning Coaches at Lipscomb. Staci's extensive experience in training/programming for youth, collegiate, and Jr Pro hockey players sets her apart and her approach to coaching brings leadership and a new perspective to our female athletes.
